affliction and misery are the common burden of the sons of adam in the present life all are subject to misery some more

some less we walk through a valley of tears live in a groaning world none have such an uninterrupted current of worldly happiness but that they have their crosses and afflictions these things are common to man we are told in the book of job 5 7 man is born to trouble as the sparks fly upward and xiv 1 man that is born of a woman is of few days and full of trouble none can reasonably expect to be absolutely exempted from the common lot of human fallen nature though life be short yet is it long enough to be vexed with many sorrows few and evil have the days of the years of my life been saith old jacob gen xlvii 9 since they are evil it is well they are but few few men consider this that they come into the world to bear crosses but rather imagine they come hither to spend their days in pleasure at least they do not observe the true cause of their troubles nor the remedy the true cause is sin man s transgressions are the door by which it entered and the proper remedy is the grace of god in jesus christ whatever then may be the particular and various dispensations of god towards men yet to be miserable in some sort or degree is common to all adam s posterity which should make us look higher than the present life it may be asked what need was there for another book on the subject of affliction have we not already those that are excellent hill s it is well cecil s visit to the house of mourning griffith and the wall of affliction to this i would answer in the language of st paul or rather of him by whom st paul was inspired blessed be god even the father of our lord jesus christ the father of mercies and the god of all comfort who comforteth us in all our tribulation that we may be able to comfort them which are in any trouble by the comfort wherewith we ourselves are comforted of god 2 cor i 3 4

in a treatise on afflictions thomas case 1598 1682 generously applies a soothing salve to the wounds of god s suffering saints he begins by compassionately illustrating twenty lessons god teaches his children in affliction he then proceeds to show the advantages wrought by affliction in the lives of languishing believers he shows why deliverance from suffering should not necessarily be the believer s primary goal when dark days come and explains why suffering may sometimes seem to last longer than it should the author shows from scripture how affliction and instruction go hand in hand in the life of the child of god this work rings true to the suffering reader because it was written while the author was imprisoned in the tower of london alongside thomas watson christopher love who was beheaded and others originally titled correction instruction or the rod and the word this classic treatise has been carefully prepared for the benefit of a new generation of christian readers it includes a biographical preface by james reid and has scripture references from the english standard version esv embedded in the text as hyperlinks no wireless connection is needed

can anything good come out of suffering is there anything purposeful in the grief or pain you may be feeling right now there are no easy answers to these questions and any attempt at an answer runs the risk of seeming trite or inappropriate to our unique situation the author of this book has a terminal illness which has produced in him not only an uncertainty about the future but a deep sense of compassion for those who are also suffering the book is his attempt to bring encouragement to those who feel helpless and alone by giving a perspective on affliction that is not ordinarily discussed the book is not a daily devotional but a compilation of the blogs he has written over the last three years that have been helpful to many you may not be walking the path of affliction but you could give the book a read and pass it on to someone who is on the journey

failure to understand why christians experience sufferings and afflictions sometimes confuses believers who in their confusion may unjustly accuse god who is just and righteous reading this book will help a person understand more about the nature and purpose of afflictions learn what a person's attitude should be in afflictions and discover the consolations of afflictions by keeping our focus on the lord we will find help in transcending the disappointments and pain of everyday life

in this book of meditations we see an ordinary man's quest for understanding the fullness of god's grace and how to make decisions and build relationships based on that understanding his journey is one common to every christian and yet collins appears to have an uncommon zeal to walk fully in that grace in every aspect of his life in his humble way he admits he does not have all of the answers but continues to knock seek to ask claiming god's promise that it shall be opened unto those who do so along the way he does not forget to give thanks and praise to god who has sustained him and revealed himself to him thus far collins is a man who knows whether he understands perfectly or not whether he makes mistakes or whether he slips and falls that god is always with him and at work in him i commend this book to every christian who longs to walk daily in the grace and admonition of our lord

how god uses your pains as stepping stones to his purpose in order to win the battles of life and overcome diverse afflictions you need to understand one important truth the tide will always turn the night will always give way for the break of dawn the storm will always pass affliction may come your way but by god's mandate they will become stepping stones to your next level his book reveals to us some causes of affliction and enlightens us on how to permanently overcome these afflictions

and win the battles of life stress free
