the mark of a great coach is a constant desire to learn and grow a hunger to use whatever can make them better the best selling author of *Teach Like a Champion* and *Reading Reconsidered* brings his considerable knowledge about the science of classroom teaching to the sports coaching world to create championship caliber coaches on the court and field what great classroom teachers do is relevant to coaches in profound ways after all coaches are at their core teachers Lemov knows that coaches face many of the same challenges found in the classroom so the science of learning applies equally to them unfortunately coaches and organizations have a mixed level of understanding of the research and study of the science of learning sometimes coaches and organizations build their teaching on myths and platitudes more than science sometimes there isn't any science applied at all while there are thousands of books and websites a coach can consult to better understand technical and tactical aspects of the game there is nothing for a coach to consult that explicitly examines the teaching problems on the field the court the rink and the diamond until now intended to offer lessons and guidance that are applicable to coaches of any sporting endeavor including everyone from parent volunteers to professional coaches and private trainers Lemov brings the powerful science of learning to the arena of sports coaching to create the next generation of championship caliber coaches

a step by step guide for coaching classroom teachers in evidence based interventions is a practical guide for school based professionals combining evidence based practices with the authors real life experiences working with classroom teachers it represents a decade of research the authors offer step by step approaches based on hundreds of case examples to overcoming some of the most difficult challenges faced by coaches and teachers in terms of implementation of evidence based interventions this book describes the coaching model and offers strategies for monitoring enhancing and troubleshooting teacher implementation in addition to establishing positive coach teacher relationships the authors demonstrate how coaches can incorporate strategies that reflect core principles of behavior change including modeling reinforcement and performance feedback more than 20 handouts are shared in the appendix of the book no other text features this distinctive blend of theory research and real life experiences making it a valuable and unique contribution to the field

a delight to read this book is thoughtful practical and extremely

respectful of teachers and the multiple judgements needed to educate young children well carl d glickman university of georgia this fully updated second edition including a new chapter on bullying is a practical guide to teaching students the skills of appropriate behavior and ways to avoid inappropriate behavior this approach helps students develop self control and offers strategies for setting limits giving students responsibility and helping them develop self control and offers strategies for setting limits giving students responsibility and helping them develop confidence in their abilities students learn to solve problems make good judgements and correct their own misbehaviour

insights ideas and inspiration to keep student learning at the center of instructional coaching diane sweeney and leanna harris whose best selling books have influenced the practice of thousands of k 12 coaches frame how student centered coaching serves as an evidence based model of professional learning that focuses on student outcomes shifting the focus from fixing teachers to partnering with them to reach goals for student learning takes coaching to the heart of what matters most in schools the essential guide for student centered coaching includes all new material that is grounded in the latest research and the authors extensive experience in the field of coaching in it readers will find an emphasis on how coaching can be asset based and focused on equity current research in adult learning and professional development examples of how to integrate curriculum into coaching cycles anecdotes that illustrate what student centered coaching looks like across grade levels and content areas designed to accompany student centered coaching the moves corwin 2017 and leading student centered coaching 2019 the essential guide for student centered coaching provides the reader with a clear vision for how coaching can promote both teacher and student learning in an honest and heartfelt voice diane and leanna provide guidance and practical advice to help coaches navigate the complexities associated with their role diane and leanna s passion to ensure that student learning stays at the center of improvement work is evident throughout this book as they paint a path of implementation for coaching that will help educators in realizing collective impact jenni donohoo author and consultant

this clearly written text adapted from its parent volume education law provides a concise introduction to topics in education law that are most relevant to teachers

this manual is for those who wish to acquire manage and value the talents of team leaders and team members those who work in or for a team want to make it work this document is for anyone committed to the team who wants to contribute and add value to their daily work particularly for managers leaders coaches mentors and those working in human resources for those who believe that the human capital of a team is worth much more than individuals and their cost if the team works for those who use or want to use the team care assessment how do we make the team work well you need to take care of it that s why team care no people are talents in themselves but each has talents and skills to make available or at the service of others it s about discovering them inspiring them giving them the proper role and valuing them in the team to win together let s find out how if you have a problem at work you may not need to change the people you work with it would help if you changed how you see them motivate them manage them and value them if you have weaknesses you can try to improve them but sometimes it s better to leverage each other s strengths and work together if you re a striker play with a goalkeeper instead of forcing yourself to play as a goalkeeper
